

SEO is like a raffle. You have to be present to win.

Our Search Engine Optimization (SEO) Package includes:

- Thorough Review of Site by our SEO Specialists
- Keyword Analysis and Assessment of Performance on Major Search Engines
- Modification of META TAGS and widgets including Keywords, Title & Description
- Modification of Text Throughout Site For Maximum Optimization Performance
- Development & Initiation of Aggressive Backlink Campaign Consisting of:
 - Submission to 200 Directories and Search Engines (PR1 - PR5)
 - Monitor Progression of Site as it Advances to Top Ranking Position on Google
 - Once Maximum Rank is Attained Submission to Additional 50 Directories & Search Engines
- To Maintain Top Position, Site is Submitted to 15 Directories and Search Engines per day, tapering off to 5 days per week.

Our SEO Specialists hve extensive experience in the field, and are well versed in the latest industry standards including complete familiarity and adaptation of Google's recently implemented algorithms. Our team is dedicated to providing maximum results in the minumum time.

We'll research and develop a customized optimization strategy *specifically tailored to your site* that will enhance your web presence, and accelerate you past your competitors to the top ranking position on Google.

Sites positioned on page 5 – 15 on Google prior to optimization can typically expect to rank on page 1 less than 1 week after implementation of the directory submission process... although the guys in suits named Esq., make us tell you there are no absolute guarantees.
